WHAT MAKES A PERFECT CRYSTAL GLASS?

Glass composition

The degree to which a glass can offer all of these benefits depends to a great extent on the type of glass used and the characteristics of the ingredients.

Standard Glass consist of sand, lime (an alkaline earth oxide), Sodium or Potassium oxides. Spiegelau Crystal glass has the same ingredients plus a certain percentage of metaloxide. These ingredients will be melted at approx. 1500°C and in later steps formed to the desired product.

Spiegelau glasses are all made of lead free Crystal glass. The highest quality of the Crystal ingredients make the Spiegelau products more durable, dishwasher safe, break resistant and also more brilliant than other glasses made with cheaper glass compositions.

THE CLASS OF GLASS

Glass is a fascinating material. Not only does it fulfil a practical purpose but there are so many other ways in which glass enriches our life. It is brilliant, it reflects and refracts light and has a satisfying sound when glasses are clinked.

Still further, specific glass shapes and a high quality glass surface, through the use of pure raw materials, enhance the aromas and taste of beverages.

AUTHENTIS

IS THERE A UNIVERSAL WINE GLASS ?

RVF tested a dozen commercial wine glasses, from major producers, in search of a tasting glass capable of revealing the qualities of any wine with the same precision.

Authentis 02 The most versatile of all

Manufactured by Spiegelau, this crystal glass has great brilliance and is highly shock resistant due to its flexibility.

Slightly heavy to hold, it remains, non-the-less, an ideal choice for professionals and private consumers - especially due to its guaranteed of 10.000 dishwasher cycles without breakage.

This model is the big brother of the slightly smaller Expert Tasting glass, also from Spiegelau.

At tastings, this glass performs well with virtually all wines; though some sparkling wines lose some finesse of the bubbles. As for the whites; it was with a Burgundian Chardonnay where the glass won many votes, as it presented the wine with great cleanness, both on the nose and the palate. Its size is an asset for reds such as the North Rhone, placing fruit in the front not the alcohol.

CARE AND USE

IMPORTANT HINTS FOR GLASS USE

Spiegelau stemware is being used in many famous restaurants and hotels and occasionally international wine tastings. In order to guarantee maximum pleasure when tasting wine, it is important to consider the following professional hints, which we hope you will find of interest.

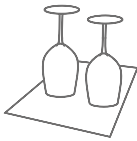

WHAT DO WE MEAN BY „FUNCTIONAL“ GLASSES?

Spiegelau wine glasses are specially designed in collaboration with some of the world's most respected sommeliers as well as owners of some of the world's finest restaurants. In all aspects – shape, height, diameter of the bowl, etc. – Spiegelau glasses are crafted to deliver wine at its best for the greatest possible enjoyment. Each glass's shape and size has been created with extreme attention to detail to fully enhance the character and bouquet of the wine.

FOR A PERFECT RESULT

1. Wash under warm water, detergent is not necessary

2. Place on linen to dry for the time being

3. For extra shine, steam over boiling water

4. To polish use 2 microfibre polishing cloths

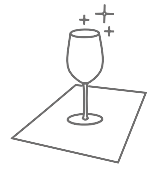

5. Hold glass by base and polish

6. Use left hand to cradle the bowl and polish with your right hand

7. **NEVER** twist the base and bowl

8. Perfect result

BEVERAGES AND GLASSES

Rules when handling connoisseur glasses:

1. Filling the glass

Fill the glass only to the widest diameter of its bowl. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2. Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl, as heat from the hand could raise the wine's temperature above its optimum and negatively influence the bouquet of the wine.

3. Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4. Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. Decanting also helps the wine breathe, as the greater surface diameter of the decanter lets more oxygen

reach the wine than the bottle's does. Red wines should be decanted well before serving and allowed to rest at room temperature for up to one hour to allow the wine to fully develop its bouquet.

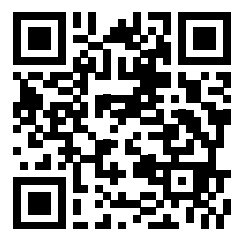

5. Wine temperature

Before decanting and/or serving wine, please store it at appropriate temperature (red wines at 59-63 degrees F, 15°-17° C, white wines at 50-54 degrees F, 10°-12° C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavors.

6. Washing the glass

Glasses should always be washed carefully, preferably by hand. Because of our Platinum Glass all Spiegelau glasses are 100% dishwasher safe, but they are best cared for by avoiding harsh detergents and choosing a cool, short dishwashing cycle. To avoid detergent residue, rinse glasses thoroughly in clean water. When drying the bowl of the glass, avoid holding the glass by its stem or base as this can, in extreme cases, cause the stem to break at its narrowest point.

4. INFORMATION ABOUT SILK SCREEN DECORATION:

In decorating glass with the screen printing process, colour is pressed through a silk screen to the glass surface and fixed to the glass during a temperature treatment. The colours, used by SPIEGELAU, are organic colours without heavy metals (such as lead, barium, etc.) or other toxic components. These colours have a high dishwasher resistance, but compared with ceramic colours a lower mechanical resistance.

5. ATTENTION:

The water hardness for cleaning glass, should not be less than 3° d.H.

Glasses with organic colours should be placed in the dishwasher in a way that they cannot make contact with each other during the washing process. If cleaning the glasses by hand, please do not use a scouring brush or abrasive detergents.

Be aware that fully desalinated water is extremely aggressive to both the glass surface and screen print decoration.

Over/underproduction (+10/-10 %) may be possible and will be billed accordingly.

RSN.UK ON PREMISE UK TERMS & CONDITIONS

1ST MAY 2025 (ABBREVIATED)

Pricing:

Pricing shown is Front Line Price (FLP) which is our net trade price per piece. This price is subject to VAT at the prevailing rate.

Order Quantities:

Orders can only be accepted in full pack quantities, as detailed within our price book.

Trade Accounts:

A minimum opening order applies for new customers and a minimum spend per annum applies, in order to maintain a trade account.

Resale:

On Premise products are marketed specifically for use in hotels, restaurants, bars and catering etc. (Hospitality) and are not for resale in a retail environment.

Delivery Charges:

Prices are ex-warehouse (Germany or UK); however standard delivery to a single UK and Ireland business address will be arranged on your behalf, without charge (subject to a minimum order value). It may be possible for express deliveries to be arranged on your behalf; however, this will be at additional cost. Should you require an express delivery, we are able to quote rates on receipt of your order requirements. Special conditions apply to deliveries to Ireland.

Delivery Format:

Goods will be packed on pallets or in cartons at our discretion and will be delivered during normal business hours by a commercial carrier to a designated loading bay or area. Please specify with your order if a tail lift is required. Requests relating to specific delivery requirements / times are subject to a £35.00 surcharge per delivery, which shall be waived in the case of deliveries where the net invoice value is greater than £1200.00 net. Should a failed delivery occur, due to not advising special delivery requirements on your order, or your premises being closed, or not accessible, a redelivery charge of £85.00 will apply.

Risk & Breakages:

When we organise shipping on your behalf, this is at your risk. The cost of the goods can be fully protected against loss or breakage with an additional charge of 2% of the net trade value of the order. Unless you specify otherwise, we will assume that you wish to insure the goods whilst in transit, and a charge will show on your invoice accordingly.

Split Deliveries:

Deliveries may be split at our discretion, based on the goods available at the time of order. Back orders are subject either to cancellation, or supply when the goods become available, at our discretion.

Claims:

Claims for breakages can only be accepted where insurance has been agreed. Any claims for breakages, or for shortages, or for faulty goods must be received in writing within 14 days of receipt of the goods and claims outside of this period cannot be considered. We reserve the right to request the return of faulty goods. All claims which are approved will be dealt with via a credit note only and we regret that we are unable to supply free of charge replacements.

Returns:

All goods are supplied on a firm sale basis only and cannot be returned, with the exception of faulty goods where we request this.

Cancellation:

We regret that cancellations cannot be accepted once we have issued an Order Confirmation. Orders for bespoke, personalised and specially manufactured or specially packaged product cannot be canceled under any circumstances.

Payment Terms:

Opening orders require payment in advance against a pro-forma invoice. Thereafter you may apply for a credit account, which will be granted subject to status. Our credit account payment terms are 30 days from the date of invoice. No early settlement terms apply. Overdue invoices are subject to a finance charge of 4% above bank base rate per annum, applied monthly. Any overdue invoice will result in all outstanding accounts becoming immediately payable, the suspension of deliveries and the refusal of further orders until the account is cleared and may result in our requiring prepayment before processing future orders. All payments should be made by bank transfer only to our bank account as detailed on our invoice. We are unable to accept payments by cheque.

Charge Backs:

Delivery non compliance and other similar charges or penalties are not recognised as a part of our standard terms will not be accepted unless contractually agreed in writing by us prior to each order being placed. Where this has been agreed, charge back notifications will only be considered if received in writing within 14 days of date of our invoice, stating full details and with supporting evidence and quoting our invoice number.

Title:

The goods remain the property of RSN.UK Ltd until payment is received in full. We reserve the right to recover goods from you, which have not been paid for, in order to reduce the value of invoices you have not paid to terms.

Master packs:

Certain goods are shipped in brown master packs and orders will only be accepted in full master pack quantities. The function of the master pack is to protect the inner packaging from scuffing only and it is not designed to be used as re-shippable outer carton. Any re-use of this master pack, in particular its use for re-shipping, is the sole responsibility and at the risk of the customer.

Product Information:

For technical reasons and due to the nature of the materials used during production of glass, certain product deviations may occur in respect of size, weight, ovalicity or the vertical axle according to the respective technical drawings, which are beyond our influence. Such deviations, including when seen in comparison to earlier deliveries of the same product do not constitute a defect within normal commercial production tolerances. A small number of bubbles, especially in handmade items, is also considered normal. Our wine glasses and other items designed

for food and beverage use are dishwasher safe, when washed correctly following the glassware care instructions of the dishwasher and detergent manufacturers, unless stated otherwise.

Decorations:

We are happy to provide a decoration / logo service and will quote individually for such projects. Further, it is recommended that decorations or logos, such as those applied by etching, engraving, silk-screening, decal etc. are applied only by the Riedel Glassworks group as part of the production process, in which case certain product warranties apply. It should be noted, however, that any similar decoration applied post production as a secondary process by the customer, or by a third party, is the sole responsibility and risk of the customer. We will not be responsible and shall be excluded from any warranty whatsoever, especially, but not limited to, that of heavy metals or other dangerous materials, or if the materials used are not water resistant or dishwasherproof in such circumstances.

Special Orders:

Orders for non-standard products require a 50% deposit with order.

Samples:

Samples can be supplied on a chargeable basis only and in full selling unit quantities only.

Terms and Conditions and Pricing may be liable to change from time to time without prior notice. These notes should always be read together with our full terms and conditions which are shown in full in all of our price books and are also available on request to sales@rsnuk.com

1.2. All references herein to Conditions are references to these Conditions unless otherwise specified.

2. General.

2.1. These Conditions apply to the Contract to the exclusion of any other terms and conditions stipulated or referred to by the Customer or which the Customer otherwise seeks to apply, or which are implied by trade, custom, practice or course of dealing.

2.2. Any terms and conditions (whether express or implied or imputed by custom or course of dealing) upon which the Customer and Riedel have previously entered into or terms which the Customer otherwise seeks to incorporate shall not apply and shall be superseded and replaced in their entirety by these Conditions, unless such terms are duly acknowledged and expressly incorporated in the Order Confirmation or otherwise agreed in writing and signed by Riedel.

2.3. These Conditions may only be varied or supplemented at the express written invitation, or with the express written permission, of Riedel.

2.4. The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions. A quotation for the Goods given by Riedel will not constitute an offer. A binding contract (incorporating these Conditions), under which Riedel will supply and the Customer will buy the Goods, will be formed on the issue by Riedel of the Order Confirmation.

2.5. Each Order shall be deemed to be a separate offer by the Customer to buy the Goods, which Riedel shall be free to accept or reject at any time without reason at its absolute discretion. No Order shall be deemed to be accepted by Riedel until it issues an Order Confirmation or (if earlier) Riedel delivers the Order to the Customer.

2.6. The acceptance of an Order or performance of deliveries or services by Riedel shall not be regarded as the grant of any entitlement to future fulfilment of orders or deliveries or performance of services and nothing in these Conditions shall be construed as creating a relationship of exclusivity between Riedel and the Customer.

2.7. Any Orders placed are binding on the Customer. However, the Customer may modify an Order by Written notice to Riedel provided that Riedel has not issued the Order Confirmation by this time. Riedel may communicate expected lead times of Goods in each Order Confirmation.

2.8. The Goods are described in the specification provided by Riedel to the Customer.

2.9. Without prejudice to Clause 2.5, Riedel reserves the right, in its sole discretion, to (i) accept Orders only with respect to amounts that from Riedel's experience correspond with usual quantities ordered by entities of comparable size to the Customer; (ii) reject any Order without giving any reason before sending the Order Confirmation (or, in the absence of an Order Confirmation, before delivery); (iii) cancel any Back Orders (see Clause 2.13) at any time by giving the Customer notice of such cancellation; (iv) terminate any framework agreement in place with the Customer at any time with immediate effect and without any requirement that it notifies Customer of the reasons; or (v) make any alterations, which it considers reasonable in the specification or materials used in the Goods whether before or after the making of the Contract in order to enable Riedel to pursue its policy of continuous improvement of its products. Any samples, drawings, descriptive matter or advertising produced by Riedel and any descriptions or illustrations contained in Riedel's catalogues or brochures are produced for the sole purpose of giving an approximate idea of the Goods referred to in them. They shall not form part of the Contract nor have any contractual force.

2.10. Customer shall comply on all its Orders with all guidelines communicated by Riedel to the Customer regarding minimum Order values and minimum Goods Orders, including those set out in these Conditions.

2.11. Special Orders require a minimum deposit of 50% of the Contract Price payable in advance in accordance with Clause 8.2. Special Orders cannot be combined with any other Orders to meet order minimums, unless otherwise agreed in Writing by Riedel. Special Orders cannot be cancelled by the Customer at any time. Quantities of Special Orders can be ordered in full master packs only. No returns or cancellations on Special Orders are permitted.

2.12. Riedel reserves the right to offer Goods marked as "Limited Edition" in a certain amount and for a certain time period and under certain allocation criteria as determined by Riedel to Customer.

2.13. In the event Customer places an Order for Goods which are out of stock, Riedel will place Goods on Back Order. If Customer does not want the Goods comprising such Back Order, Customer shall advise Riedel immediately after receipt of such Back Order notification in writing, otherwise the Back Order cannot be cancelled by the Customer. All Back Orders are subject to cancellation by Riedel at any time in Riedel's sole discretion. In the event of cancellation pursuant to this Clause 2.13, Customer will be credited accordingly for any consideration already paid.

2.14. Goods shall not be unpacked from their original packaging as delivered by Riedel to the Customer and shall not be repacked by the Customer. Goods shall be sold in their respective original packaging, unless unpacking or repacking has been expressly authorised by Riedel in writing.

2.15. In the event Riedel provides Authorised Packaging Changes, Customer shall ensure the unpacked and/or repackaged Goods and the Customer Packaging comply with all applicable laws, rules and regulations, including but not limited to those laws, rules and regulations that concern such Goods and the Customer Packaging's labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and sale and Customer shall indemnify, defend, and hold harmless Riedel and its affiliates for any violations or alleged violations thereof. Riedel and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold Riedel and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to Authorised Packaging Changes, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the Goods or of the Customer Packaging.

2.16. In the event that Customer elects to purchase the 2 Glasses 1 Bottle Product, Customer shall ensure that the 2 Glasses 1 Bottle Product complies with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such 2 Glasses 1 Bottle Product's labelling, marking, tagging, waste management, packaging, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless Riedel and its affiliates for any violations or alleged violations thereof. Riedel and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold Riedel and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to 2 Glasses 1 Bottle Products, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the 2 Glasses 1 Bottle Product.

2.17. Customer understands that Riedel's ability to effect proper quality control measures, including but not limited to quality control oversight over the Trade Marks and the Goods, requires Riedel's unfettered ability to track its inventory at all stages of the Goods' supply chain. Accordingly, Customer acknowledges and agrees that it will not under any circumstances remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying label, mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Goods or the packaging of any Goods.

2.18. In the event that Customer, as determined by Riedel in its sole discretion, is found to have violated any part of Clause 2.14, 2.15, 2.16 or 2.17, Riedel shall, in its sole discretion, be entitled to immediately suspend or terminate Customer's status as an authorised purchaser and/or reseller of the Goods, and Riedel shall reserve all rights and remedies it may have against Customer that may be available to Riedel pursuant to these Conditions or any other agreement entered into or otherwise governing the relationship between Riedel and Customer or by applicable law, or otherwise.

2.19. Riedel does not provide Customers with any kind of marketing support (including financial marketing support), unless agreed by Riedel in its sole discretion on an individual case-by-case basis. In the event that Riedel elects to grant any kind of marketing support to Customer, under no circumstances shall Riedel be obligated to complete or otherwise continue such marketing support or provide any future marketing support. In the event that for any reason, as determined by Riedel in its sole discretion, the Customer's status as an authorised purchaser or reseller of the Goods, as applicable, is suspended

or terminated, Riedel reserves the right to terminate any marketing support with immediate effect or until further notice and Riedel will not accept any invoice deductions during any suspension or in case of termination. Under no circumstances shall Customer be entitled to reimbursement for any kind of investments, or for any costs/expenses of promotional events or of promotional material of any kind whatsoever regarding the Trade Marks, irrespective of whether Customer organised such events itself or via third parties or purchased such material from Riedel or from a third party.

2.20. The costs for requested or special packaging and packaging materials used for the Goods shall be exclusively borne by the Customer, notwithstanding any omission of such costs in Riedel's Price Books or any cost estimate or quote provided to Customer with respect to the Goods. Customised packaging shall not be offered or provided to Customer unless Customer and Riedel enter into a separate agreement duly signed by Customer and Riedel.

2.21. Where the Goods involve any services to be provided by Riedel to the Customer:

(a) such services shall be supplied in accordance with the relevant service specification;

(b) Riedel shall use all reasonable endeavours to meet any performance dates specified in the Contract Documents, but any such dates shall be estimates only and time shall not be of the essence for the performance of any such services;

(c) Riedel reserves the right to amend the relevant service specification to comply with any applicable law or regulatory requirement; and

(d) Riedel warrants to the Customer that such services will be provided using reasonable care and skill.

3. Customer Appointment and Obligations.

Customer hereby agrees at all times to observe and abide by the customer obligations as outlined in this Clause 3.

3.1. The Customer shall be an agent:

(a) represent itself as an agent of Riedel for any purpose;

(b) pledge Riedel's credit;

(c) give any condition or warranty on Riedel's behalf;

(d) make any representation on Riedel's behalf;

(e) commit Riedel to any contracts; or

(f) otherwise incur any liability for or on behalf of Riedel.

3.3. The Customer undertakes and agrees with Riedel that at all times during the Contract, it shall:

(a) use reasonable endeavours to promote and sell the Goods in the Territory and to expand the sale of the Goods by all reasonable and proper means and not to do anything which may hinder or interfere with such sales;

(b) maintain, on its own account, an inventory of the Goods so that it can supply all orders for Goods received by it without delay;

(c) keep full and accurate books of account and records clearly showing all enquiries, quotations, transactions and proceedings relating to the Goods and allow Riedel, on reasonable notice, access to such accounts and records for inspection;

(d) insure at its own cost with a reputable insurance company all stocks of the Goods as are held by it against all risks which would normally be insured against by a prudent businessman to at least their full replacement value and produce to Riedel on demand full particulars of that insurance and the receipt for the then current premium;

(e) pay or ensure payment on the due date to Riedel of all sums due to Riedel for sales of the Goods; and

(f) display advertising materials and other signs provided by Riedel and not make any written statement as to the quality or manufacture of the Goods without the prior written approval of Riedel.

3.4. Customer will conduct and maintain at all times its operation in compliance with these Clauses and all applicable laws and regulations. The Customer agrees not to engage in any unfair trade practices at all times.

3.5. Customer will comply with all quality control standards, including but not limited to, advertising, storage, and shipping requirements, as announced from time to time by Riedel.

3.6. Customer will comply with the Riedel Corporate Branding Policy & Quality Standards, which are hereby expressly incorporated into and form an integral part of these Conditions. Riedel, in its sole unfettered discretion, reserves the right to change the Riedel Corporate Branding Policy & Quality Standards at any time.

3.7. Customers in the retail sector may sell Goods received from Riedel to end-user consumers. Active sales to certain groups of resellers or to any kind of resellers in certain territories, which Riedel has exclusively reserved for itself or for third party dealers, are prohibited. Riedel will inform Customer of these certain groups of resellers or territories which are prohibited. Passive sales are exempted from the above restriction. Provisions in the selective distribution network remain unaffected by this Clause 3.7.

3.8. To the extent the Customer is a distributor, Riedel appoints the Customer as its non-exclusive distributor to market, purchase, distribute and resell the Goods in the Territory on the terms of these Conditions, and the Customer accepts the appointment on those terms. Riedel shall be free to:

(a) appoint any other distributor, reseller or agent for the Goods the Territory; and

(b) supply any Goods directly in the Territory whether for use or resale.

3.9. In the event that Customer, as determined by Riedel in its sole discretion, is found to have culpably violated any part of this Clause 3, Customer shall indemnify and hold Riedel harmless from any cost and liability, including costs of litigation and legal fees as may be incurred in defending any civil, criminal, or administrative action brought against Riedel or its affiliates, officers, employees, or agents that may result from a violation of any part of this Clause 3, and Riedel shall, in its sole unfettered discretion, be entitled to immediately suspend or terminate the Customer's status as an authorised purchaser and/or reseller of the Goods, and Riedel shall reserve all rights and remedies it may have against Customer that may be available to Riedel pursuant to these Clauses, or any other agreement entered into or otherwise governing the relationship between Riedel and Customer and applicable law, or otherwise.

4. Delivery.

4.1. Unless otherwise stated in the Order Confirmation, Riedel will be responsible for arranging the delivery of the Goods to the Customer to the location specified in the relevant Order or such other location as the parties may agree, title and risk in which shall pass to the Customer in accordance with Clause 5 below.

TERMS AND CONDITIONS OF SALE

OF RSN.UK LTD, 1ST MAY 2025

4.2. If the delivery location specified in the relevant Order is within the UK, Riedel shall deliver the Goods DDP (Incoterms 2020) to the location specified. If the delivery location specified in the relevant Order is within the Republic of Ireland, Riedel shall deliver the Goods DDP (Incoterms 2020) excluding VAT to the location specified.

4.3. Dates or periods for delivery set out in any Contract Document are approximate and are given for information purposes only. Communicated lead times refer to Riedel's ex-warehouse dates and are estimates only and are not binding. Time for delivery is not of the essence and Riedel will not be liable for its failure to make any delivery by the estimated date and any claims for damages due to non-performance or delayed performance are excluded. Customer waives any and all claims against Riedel and its affiliates for damages and other liabilities arising from or due to Riedel's actual or alleged non-performance or delayed performance.

4.4. Riedel may deliver Orders by instalments, which may be invoiced and paid for separately. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel the overall Contract or any other instalment.

4.5. If the Customer fails to take or accept delivery of the Goods on the delivery date notified to the Customer by Riedel and/ or fails to provide any instructions, documents, licences, consents or authorisations required to enable the Goods to be delivered on that date, Riedel shall notify the Customer that it intends to store or arrange the storage of the Goods on its behalf, whereupon Riedel shall be deemed to have been authorised by the Customer so to do, and on the giving of such notice (i) risk in the Goods will pass to the Customer, (ii) delivery of the Goods will be deemed to have taken place, and (iii) the Customer will be deemed to have accepted the Goods as to quality, specification and Clause. The Customer will promptly reimburse Riedel in respect of all costs and expenses including storage and insurance charges arising from such failure to take or accept delivery.

4.6. If 10 (ten) business days after Riedel has notified the Customer that the Goods were ready for delivery and the Customer has not taken delivery of them, Riedel may resell or otherwise dispose of part or all of the Goods.

4.7. All Goods are shipped in brown master packs. The master pack is to protect the Goods only and is not designed to be used as shippable outer carton and may not be used as such. Any other use of this master pack, in particular, its use for shipping, is at the sole responsibility and at the risk of the Customer.

4.8. If Riedel delivers up to and including 5% more or less than the quantity of Goods ordered, the Customer may not reject them. The quantity actually delivered is to be paid for in full in all cases and, on receipt of notice from the Customer that the wrong quantity of Goods was delivered, a pro rata adjustment shall be made to the Order invoice.

4.9. If, pursuant to any Order Confirmation, Goods are to be collected by Customer at a Riedel's premises Riedel will advise Customer about twenty (20) business days prior to the respective collection date. Customer shall collect all available and prepared Goods, including partial collections of an Order, within 48 hours of the communicated collection date. If, prior to the communicated collection date Customer informs Riedel that Customer will not collect the Goods ready for collection or if Customer fails to collect such Goods within 48 hours of the communicated collection date, Riedel shall be entitled to store the Goods at Customer's cost and risk, whereby delivery to Customer shall be deemed fulfilled and will be invoiced; and to charge warehousing fees for storage of such Goods in a customary amount.

5. Passing of Risk and Title

5.1. Risk in the Goods shall pass to the Customer when:

- (a) in the case of Goods to be delivered at the Customer's premises, the Goods are dispatched from Riedel's premises;
- (b) in the case of Goods to be delivered at Riedel's premises, Riedel notifies the Customer that the Goods are available for collection; or
- (c) Riedel gives notice to the Customer as permitted in Clause 4.5.

5.2. Title to the Goods shall not pass to the Customer until the earlier of:

- (a) Riedel receiving payment in full (in cash or cleared funds) for the Goods and any other goods that Riedel has supplied to the Customer in respect of which payment has become due, in which case title to the Goods shall pass at the time of payment of all such sums; and
- (b) the Customer reselling the Goods, in which case title to the Goods shall pass to the Customer at the time specified in Clause 5.4.

5.3. Until title to the Goods has passed to the Customer, the Customer shall:

- (a) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as Riedel's property;
- (b) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (c) maintain the Goods in satisfactory Clause and keep them insured against all risks for their full price from the date of delivery;
- (d) notify Riedel immediately if it becomes subject to any of the events listed in Clause 6.2; and
- (e) give Riedel such information relating to the Goods as Riedel may require from time to time.

5.4. Subject to Clause 5.5., the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before Riedel receives payment for the Goods. However, if the Customer resells the Goods before that time:

- (a) it does so as principal and not as Riedel's agent; and
- (b) title to the Goods shall pass from Riedel to the Customer immediately before the time at which resale by the Customer occurs.

5.5. If before title to the Goods passes to the Customer, the Customer becomes subject to any of the events listed in Clause 6.2, then, without limiting any other right or remedy Riedel may have:

- (a) the Customer's right to resell the Goods or use them in the ordinary course of its business ceases immediately; and
- (b) Riedel may at any time (i) require the Customer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product and (ii) if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

5.6. Riedel shall not be obligated to replace or credit Customer for Goods that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

6. Riedel's Termination Rights

6.1. Without affecting any other right or remedy available to it, Riedel may terminate a Contract on giving not less than one (1) month's written notice to the Customer.

6.2. Without prejudice to its other rights and remedies, Riedel shall be entitled to demand immediate payment of all outstanding amounts and immediately terminate wholly or in part any or every Contract between itself and the Customer or suspend any further deliveries under any Contract on the occurrence of any of the following events:

- (a) any debt due and payable by the Customer to Riedel is unpaid, or the Customer fails to provide any letter of credit, bill of exchange or any other security required by the Contract Documents or the Customer is otherwise in breach of any of its obligations under the Contract Documents;
- (b) the Customer fails to take or accept delivery of any of the Goods under any contract between it and Riedel (other than in accordance with any rights the Customer has to refuse to take or accept delivery under the contract in question);
- (c) the Customer becomes insolvent or is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 or enters into any composition or arrangement (including a voluntary arrangement) with its creditors or, has passed a resolution for voluntary winding up except where solely for the purpose of reconstruction, or if a petition has been presented for an order for its winding up or for a receiver (which expression shall include an administrative receiver) or administrator to be appointed or if any such order or appointment is made or if, being an individual or partnership, the Customer suspends payment of his or their debts in whole or in part or if an application has been made for an interim order or a petition has been presented for a bankruptcy order or if any such order is made or if the Customer, whether or not a body corporate, shall carry out or be subject to any analogous act or proceedings under any law;
- (d) the Customer ceases or intends to cease to carry on business;
- (e) the Customer, being a company, experiences a change of control, which in Riedel's reasonable opinion (i) could lead to the Customer being unable to fulfil its obligations under this or any other contract then in force with Riedel or (ii) causes detriment to Riedel;
- (f) the Customer pledges or in any way charges by way of security any of the Goods, which remain the property of Riedel in accordance with the terms of the Contract Documents or purports or attempts so to do;
- (g) Riedel believes that any of the above is likely to occur; or
- (h) the Customer fails to make payment of the Contract Price within sixty (60) days of the due date for payment.

6.3. Riedel shall be entitled to exercise its rights of termination or suspension under Clause 6.2 at any time during which the event giving rise to such rights is continuing and has not been remedied and, in the event of a suspension, Riedel shall be entitled, as a condition of resuming delivery under any Contract between it and the Customer, to require prepayment of, or such security as it may require for the payment of, the price of any further Goods.

6.4. No waiver by Riedel of any breach of the Contract Documents by the Customer will be considered as a waiver of any subsequent breach of the same or any other provision.

7. Price

7.1. The Contract Price shall be the total amount set out in the Order Confirmation, or, if no price is quoted, the price set out in Riedel's published price book in force at the date of delivery.

7.2. Riedel shall be entitled, upon giving written notice to the Customer, at any time before delivery of the Goods, to adjust the Contract Price to reflect any increase in the cost of supply of the Goods if due to any event of Force Majeure, any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the specification, or any delay caused by any instructions of the Customer or failure of the Customer to give Riedel adequate and timely instructions or information.

7.3. Riedel will issue all invoices in the currency specified in the Order Confirmation.

8. Terms of Payment

8.1. Payment for the Goods shall be made only by electronic bank transfer to the bank account specified in the Contract Documents or as otherwise specified by Riedel from time to time.

8.2. The Customer will pay Riedel the Contract Price in full and cleared funds without deduction within 30 (thirty) days of the date of the invoice notwithstanding that delivery of the Goods may not have taken place and/ or that the title to the Goods has not passed to the Customer. If Riedel determines in its reasonable opinion that the Customer's credit rating is insufficient, it reserves the right to request payment of the Contract Price in full and cleared funds prior to the Goods being delivered. In the case of Special Orders, the deposit of not less than 50% of the Contract Price will become due for payment on the date of the invoice, with the remaining balance due within 30 (thirty) days of such date. Payment will be deemed to have been made when cleared funds for the Goods are received in full in Riedel's bank account. The time for payment of the Contract Price shall be of the essence.

8.3. Charges and penalties (including charge backs and delivery non-compliance and other similar charges or penalties) are not recognised as a part of these Conditions and will not be accepted unless agreed in writing by Riedel prior to each Order being placed. To the extent this is agreed by Riedel in writing, charge back requests will only be considered if received by Riedel in writing within 14 days of the date of delivery of the Goods, stating full details of such request, with supporting evidence and quoting the applicable invoice number.

8.4. In the event that payment is made by the Customer in any currency other than the currency specified in the Order Confirmation, the Customer shall bear the exchange rate risk and shall not obtain title to the Goods until funds in the currency specified in the Order Confirmation are received in Riedel's bank account in respect of the total of all amounts outstanding from the Customer.

8.5. In the event of default or late payment by the Customer, Riedel shall be entitled, without prejudice to any other right or remedy, to charge the Customer interest on the amount unpaid at the rate of 4% above the Bank of England base rate, which shall accrue on a daily basis from the date due until payment in full is made.

8.6. The Customer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). Riedel may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by the Customer against any amount payable by Riedel to the Customer.

8.7. Any claims, counterclaims or claims for compensation of Customer shall not entitle Customer to any extension of the period stipulated for payment, nor shall any such claims or counterclaims serve as a set-off against or otherwise be used to justify non-payment of all amounts owing to Riedel by the Customer.

9. Notice of Defects, Warranties and Limitations

9.1. Subject to the provisions of these Conditions, Goods supplied by Riedel will, at the date of delivery, conform in all material respects with any specification and standard specified in the Contract Documents. Any defects or non-conformance must be notified to Riedel in Writing in accordance with Clause 10.1. If the Goods are not materially in conformance with the Contract Documents and the Customer has given notice of defect or non-conformance pursuant to Clause 10.1 (to the exclusion of any other remedy that the Customer may have in respect of the Goods):

- (a) if Riedel and the Customer agree, the Customer shall accept the Goods at an agreed discounted value or the Goods shall be made good at Riedel's expense; or
- (b) if, within 21 (twenty-one) days of the Customer giving notice to Riedel under Clause 10.1, Riedel and the Customer do not so agree, the Customer may return the Goods at Customer's cost and risk to Riedel whereupon Riedel shall, at Riedel's option, either:
 - (i) if any payment has been made, refund the Customer or, if Riedel so decides, give the Customer credit for the invoice price of the defective or the non-conforming Goods (including the original, but not the return, cost of delivery); or
 - (ii) replace the Goods by delivering replacement Goods to the original place of delivery as soon as may be reasonably practicable.

9.2. Riedel shall not be liable for the Goods' failure to comply with the warranty set out in Clause 9.1, in any of the following events:

- (a) the defect arises or damage is caused as a result of Force Majeure;
- (b) the Customer makes any further use of such Goods after giving notice in accordance of any defect or non-conformance;
- (c) the defect arises because the Customer failed to follow Riedel's oral or written instructions as to the storage, packaging, processing, handling, cleaning and use of the Goods or (if there are none) good trade practice regarding the same;
- (d) the defect arises as a result of Riedel following any drawing, design or specification supplied by the Customer;
- (e) the Customer alters or repairs such Goods without the written consent of Riedel;
- (f) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working Clauses; or
- (g) the Goods differ from the specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.

9.3. Except as provided in this Clause 9, Riedel shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in Clause 9.1.

9.4. Without prejudice to the provisions of Clause 9.1 and the commitments regarding compliance of the Goods to the relevant specification, any condition, warranty, statement or undertaking as to the quality of the Goods or their fitness or suitability for any purpose however or whenever expressed or which may be implied by statute (including the terms implied by Sections 13 to 15 of the Sale of Goods Act 1979 and Sections 3, 4 and 5 of the Supply of Goods and Services Act 1982), custom of the trade or otherwise is hereby excluded, except to the extent that such exclusion is prevented by law.

9.5. Subject to Clauses 9.1 and 9.6:
(a) Under no circumstances shall Riedel be liable to the Customer for any loss, damage or expense incurred or suffered (including, but without limitation, loss of profit, revenue or goodwill or any indirect or consequential loss) howsoever arising out of or in connection with the Contract, whether in contract, tort (including negligence) or breach of statutory duty other than as set out in Clause 9.1; and

(b) Riedel's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty or otherwise shall be limited to the price of the Goods and shall in no event include any incidental or consequential damages of any kind.

Nothing in this Clause 9.5 affects the provisions of Clause 9.6.

9.6. Riedel shall only be liable for damage to the extent that the damage was caused by Riedel by gross negligence or wilful intent. Nothing in the preceding sentence or otherwise in the Contract Documents shall limit or exclude Riedel's liability for:

- (a) death or personal injury caused by its negligence;
- (b) fraud or fraudulent misrepresentation;
- (c) breach of the terms implied by Section 12 of the Sale of Goods Act 1979 or Section 2 of the Supply of Goods and Services Act 1982; or
- (d) defective products under the Consumer Protection Act 1987; or
- (e) any matter in respect of which it would be unlawful for Riedel to exclude or restrict its liability.

9.7. Decorations of any and all kind, that have not been made or commissioned by Riedel, such as engravings, silk-screenings etc., are at the sole responsibility and risk of the Customer. Riedel and its affiliated companies will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied, or if the material used is not water-resistant or dishwasher-proof. Customer shall indemnify and hold Riedel and its affiliated companies harmless from any and all claims, suits, losses, damages, demands, injuries and expenses (including reasonable attorney's fees) arising out of or related to any claims made against Riedel based on any decorations (such as engraving, silk-screening, etc.) made to the Goods by or on behalf of the Customer.

9.8. In the event that any Goods are made or supplied to the Customer's own specification or where standard Goods of Riedel are altered in accordance with the Customer's instructions:

- (a) the Customer warrants and undertakes full responsibility, not only for the suitability and fitness of the specification, but that such specification does not infringe any proprietary right of any third party, and the Customer shall indemnify Riedel and its affiliated companies in full against any loss, damage or expense whatsoever (including costs), which Riedel or its affiliated companies may incur arising from the performance of the Contract by reason of any infringement of any such proprietary rights; and
- (b) Riedel reserves the right without any liability to change the Customer's specification as required to ensure that the Goods comply with any health, safety or other statutory requirement or provision.

9.9. Clauses 9.4, 9.5, 9.7, 10.1 and 20.1 to 20.4 (inclusive), and such other provisions that by their nature are intended to survive termination, shall survive the termination of the Contract for whatever cause.

9.10. "Riedel", "Spiegelau" and "Nachtmann" branded glasses sold by Riedel are dishwasher-proof in accordance with their respective specifications. In case of eventual glass clouding, if any, notwithstanding Clause 9.1, Riedel

TERMS AND CONDITIONS OF SALE

OF RSN.UK LTD, 1ST MAY 2025

grants a limited warranty for 2 (two) years as of the date of production of the respective Goods (bottom stamp). Mechanical damages of any kind to the surface shall be excluded from such warranty. Riedel shall, at its option, repair or replace such defective Goods or refund the price of the defective Goods if:

- (a) the Customer notifies Riedel in Writing during the warranty period within a reasonable time of discovery that some or all of the branded Goods do not comply with the warranty set out in this Clause 9.10; and
- (b) Riedel is given a reasonable opportunity to examine the branded Goods; and
- (c) the Customer (if required by Riedel) returns such Goods to Riedel's place of business at the Customer's cost and risk.

Riedel shall not be liable for the branded Goods failure to comply with the warranty in this Clause 9.10, if the events in Clause 9.2 (a) to (g) apply.

9.11. Damaged packaging is not replaceable or refundable.

10. Acceptance of Goods and Returns.

10.1. The Customer shall be deemed to have accepted the Goods from the point of delivery or deemed delivery as provided in Clause 4 unless, in the case of a

defect in the quality or state of the Goods or the Goods otherwise not conforming with the Contract Documents, and with such defect or non-conformance being apparent upon inspection or testing of the Goods (or would have been had a careful inspection or reasonable test been carried out), the Customer gives Riedel a notice specifying such defect or non-conformance within 14 (fourteen) days after receiving the Goods and in any event prior to their use or re-sale and, after doing so, gives Riedel a reasonable opportunity to inspect or test the Goods before they are used or resold. Any notice provided under this clause 10.1 shall include a detailed description and photos of the defects or the non-conformance, otherwise, the Goods will be deemed to have been accepted. Claims under this Clause 10.1 will be subject to a review and approval process by Riedel.

10.2. The Customer acknowledges that for technical reasons and because of the materials used in the course of the production of glass products, deviations of products of the same series may occur, in particular with respect to size, weight, ovality or the vertical axle according to the respective technical drawings, which cannot be influenced by Riedel. Such deviations in Goods (particularly in comparison to earlier deliveries of the same type of Goods) will therefore not constitute any defect.

10.3. Unless the Goods are found to be defective under Clause 9.1, 9.9 or 10.1, no Goods may be returned to Riedel without Riedel's prior agreement.

10.4. In respect of all returns made under Clause 10.3, the Customer shall redeliver the Goods to a delivery point designated by Riedel and shall be responsible for all freight and insurance costs and shall bear the risk in the Goods until returned to Riedel in accordance with the terms hereof.

11. Cancellation and Assignment.

11.1. The Customer shall have no right to cancel the Contract without the consent of Riedel, which, if given, may be given on any terms that Riedel thinks fit in its absolute discretion. The Customer shall indemnify Riedel against any loss, cost, expense, liability, claim or damage, which Riedel incurs or suffers arising out of or in connection with such cancellation. No such cancellation shall be effective unless agreed in Writing by an authorised representative of Riedel.

11.2. Without the prior written consent of Riedel, the Customer shall not assign the benefit of all or any part of its rights or sub-contract the performance of all or any part of its obligations under the Contract.

12. Force Majeure.

12.1. Riedel shall not be deemed to be in breach of this Contract or otherwise liable to the Customer for delay in performing or failure to perform any of its obligations under the Contract if and to the extent that such delay or failure results from an event of Force Majeure.

12.2. Following the occurrence of an event of Force Majeure, delivery times and periods shall be prolonged accordingly.

12.3. For the avoidance of doubt, the provisions of this Clause 12 shall also apply where the event of Force Majeure affects any of Riedel's suppliers.

12.4. Nothing in this Clause 12 affects the Customer's obligation to provide payment in accordance with the agreed payment terms.

12.5. If any Force Majeure event persists for a continuous period in excess of 3 (three) months Riedel shall be entitled to terminate the Contract by giving at least 30 (thirty) days' written notice to the Customer.

13. Severability.

In the event that, for any reason, any provision or part-provision in any of the Contract Documents is held to be or becomes void, unenforceable or otherwise invalid or illegal, any Contract, which incorporates any such Contract Document shall otherwise continue to be fully binding and all the other provisions of the Contract Document, and the remainder of any provision where the effect of some part of it is held to be void, unenforceable or otherwise invalid or illegal, shall remain fully effective.

14. Intellectual Property.

14.1. Riedel or Riedel's licensors hold any and all rights, titles, goodwill, and interest of any nature whatsoever, including but not limited to, any and all Intellectual Property rights and the Trade Marks, in particular copyrights, trademarks, trade secrets, patent rights and/ or design rights, relating to the Goods, the Goods designs, the glassware samples and the glassware sample designs, including, but not limited to, the respective drawings, tools, shapes and moulds.

14.2. Riedel grants to the Customer the non-exclusive, non-transferable right, in the Territory, to use the Trade Marks in the promotion, advertisement and sale of the Goods, subject to, and for the duration of, the Contract. The Customer acknowledges and agrees that all rights in the Trade Marks shall remain in Riedel, and that the Customer has and will acquire no right in them by virtue of the discharge of its obligations under the Contract, except for the right to use the Trade Marks as expressly provided in these Conditions.

14.3. Any tools, moulds, drawings and plans provided to a Customer are the sole property of Riedel and its licensors, including but not limited to any and all Intellectual Property, even if Customer bears the costs of their acquisition in part or in full, and will not be handed back at the end of any kind of communication or cooperation and Riedel and its licensors retain the right to use such tools, moulds, drawings and plans at its sole discretion without any liability to the Customer.
