CORDLESS LIGHTING

utopia

utopia

Introducing Utopia Tableware's Cordless LED Lighting Collection – a revolutionary range that sets a new standard for illumination in hospitality venues. Elevating your establishment's ambiance and functionality, our versatile, energy-efficient lamps redefine the way you light up restaurants, bars, and hotels.

Montego - Corten

Designed to withstand the demands of any environment, our cordless LED lamps boast exceptional durability and are water & dust resistant, making them ideal for both indoor and outdoor use. Embrace the freedom of cordless convenience as these lamps can be easily recharged on their own or through multiple charging mats, ensuring uninterrupted brilliance for your space.

But it's not just about practicality; our cordless LED lamps also offer an exquisite selection of finishes. Choose

from sleek black for a contemporary touch, striking corten for a rustic charm, or dazzling PVD and metallic paint finishes that exude timeless elegance. Each option allows you to find the perfect match for your venue's unique aesthetics, adding an extra touch of sophistication to every corner.

We offer two levels of product, our Premium and Standard collections. Premium has longer battery life and higher resistance to water & dust damage, as well as coming in luxurious PVD finishes but both Premium
